

# Aspiration

In our school, an aspirational learner will...

1.

Say it again,  
say it better.

2.

Take real pride in  
the presentation  
of YOUR work.

3.

Be a good role  
model to others.

4.

Edit your work to  
make it better.

5.

Take ownership of  
YOUR learning –  
notice areas of  
future interest and  
explore these for  
yourself.
