Dear Sarah,

I trust this letter finds you well. I have had the opportunity to review Ofsted's report following their inspection in November, and I am delighted to extend my congratulations to the entire school community on receiving a 'Good' judgment. This success is a testament to the unwavering leadership provided under your guidance, and I commend the entire school community for their collective efforts. This recognition underscores the dedication and commitment evident in the school's pursuit of excellence.

I was particularly pleased to read of some of the older pupils acting as behaviour mentors and positive role models to the younger children. I was also delighted to read of the enhanced curriculum activities including the archaeological dig.

The local authority is eager to cultivate stronger working relationships with all headteachers and welcomes any queries or discussions. Your LA Adviser should be able to support you further with this. If you're unsure who to contact in the local authority regarding this, please contact Aby Hardy – [aby.hardy@lancashire.gov.uk](mailto:aby.hardy@lancashire.gov.uk) – Head of Education Improvement.

Please convey my best wishes to the entire school community, including the staff, pupils, parents, and governors. Your collective efforts in maintaining and enhancing the educational standards at the school are truly commendable.

Thank you once again for your commitment and dedication and please pass on my very best wishes to all your pupils, parents, and staff.

Yours sincerely

Jacqui Old CBE
